

**Eugene S. Gaffney**

Division of Paleontology  
 American Museum of Natural History  
 Central Park West at 79th Street  
 New York, New York 10024  
 (212) 769-5801

**Education**

Rutgers State University 1961-1965; B.A. with honors  
 New Jersey State Scholarship 1961-1965  
 K. P. Museum Grant for work at the Field Museum (Chicago), under Dr. Rainer Zangerl  
 Henry Rutgers Scholar 1964-1965; thesis entitled: The genus Taphrosphys Cope  
 (Pelomedusidae: Reptilia).  
 Columbia University 1965-1969, Ph.D.  
 Doctoral Dissertation: The North American Baenoidea and the Cryptodire-Pleurodire Dichotomy.

**Professional Employment**

Teaching Assistant, Columbia University, 1965-1967  
 Preceptor, Columbia University, 1967-1969  
 Lecturer, Columbia University, 1969-1970  
 Visiting Assistant Professor, Rutgers University, 1970-1971  
 Adjunct Assistant Professor, Columbia University, 1971-  
 Assistant Curator, Department of Vertebrate Paleontology, American Museum of Natural  
 History, 1970-1975  
 Associate Curator, Department of Vertebrate Paleontology, American Museum of Natural  
 History, 1975-1980  
 Visiting Curator, Australian Museum, Sydney, summer 1980  
 Curator, Department of Vertebrate Paleontology, American Museum of Natural History, 1980-  
 present

**Teaching Experience**

General Geology courses, Columbia University, 1965-1970  
 Graduate Paleocology course, Rutgers University, 1971  
 Columbia University-AMNH Graduate Vertebrate Paleontology Program: "History of Fossil  
 Amphibians and Reptiles" 1972, 1973, 1975, 1976, 1978, 1979, 1982, 1984, 1986, 1990

**NSF Grants**

1977-1981 Reorganization and Renovation of the Fossil Reptile,  
 Amphibian, and Bird Collection at the American Museum of Natural History  
 1981-1984 Support for Fossil Reptile, Amphibian, and Bird Collection  
 1980-1982 Phylogeny and Comparative Morphology of the Oldest Known Turtles  
 1984-1986 Early History of Cryptodiran Turtles

## Bibliography

Eugene S. Gaffney

- Gaffney, E. S., and R. Zangerl. 1968. A revision of the chelonian genus *Bothremys* Pleurodira: Pelomedusidae). *Fieldiana: Geology* 16: 193-239.
- Gaffney, E. S. 1969. The North American Baenoidea and the cryptodire-pleurodire dichotomy. [unpublished Ph.D. thesis, Columbia University, 1969]
- Gaffney E. S., and R. Hiatt. 1971. A new baenid turtle from the upper Cretaceous of Montana. *American Museum Novitates* 2443: 9 pp.
- Gaffney, E. S. 1971. Chelonia. *In* McGraw Hill Yearbook of Science and Technology: 140-142. New York: MacGraw Hill Inc.
